

HORSMONDEN PARISH COUNCIL

RECORD OF ELECTRICITY USED FROM VILLAGE GREEN POWER POINT

NAME OF EVENT:

DATE OF EVENT:

I agree to the terms and conditions for use of the village green electrics, as set out below by
Horsmonden Parish Council

SIGNED:

DATE:

Name of event organiser/hirer (IN CAPITALS):

TERMS AND CONDITIONS OF USE.

The power point will be used only for the purpose agreed between the event organiser and
Horsmonden Parish Council.

The event organiser will take responsibility for ensuring safe use of the electricity point during
the duration of hiring the village green, and for making all those who use the facility aware of
the potential dangers involved.

Any equipment plugged into the facility will be used at the hirer's own risk and the Parish
Council will take no responsibility for accidents or damage caused by faulty equipment provided
by the hirer or a third party.

The Hirer will supply and use their own cables (which have been currently PEAT tested) to
connect to the facility.

The event organiser will make contact with Horsmonden Parish Council as soon as their use of
the electricity has ceased, so that the meter can be read and agreed, and the electricity box
locked and made safe.

Following agreement of the units used, the Clerk to the Parish Council will contact the event organiser to arrange payment of a sum equating the cost of the units used during the event, plus a connection charge of £5 per event. The cost of the units will be in accordance with the price of the units charged at that time by the Parish energy supplier.
