### 4. UPDATE FOLLOWING FIRST COMMUNITY LIAISON MEETING RELATING TO APPLICATION 19/03657/REM BASSETTS FARM

The Deputy Clerk showed a copy of the presentation that had been prepared by Persimmon Homes and delivered by them at the Community Liaison Meeting on the 6<sup>th</sup> March. The meeting was attended by Cllr Russell, Cllr Davis and the Deputy Clerk.

Attendees gave a brief overview of the topics discussed and the concerns that were raised by residents. The primary areas of discussion were:

1. The proposed positioning of the sales office on Goudhurst Road.  
The developer has proposed situating the sales office at the entrance of the site on Goudhurst Road however, several residents expressed concerns that this location may not be suitable due to its close proximity to the road, potentially posing safety risks and traffic issues. The developer acknowledged these concerns and confirmed that they would review the location. As an alternative, they suggested expediting the construction of Plots 1 and 2 and using one of these plots as a sales office.  
A further update regarding this matter will be provided at the next meeting.
2. The new footway on Goudhurst Road  
Residents expressed concerns regarding the absence of a passing place on the new footway along Goudhurst Road. The developer stated that they did not have the specific details of the footway at the time but would provide further information at the next meeting. However, it was noted that the footway has already been approved by KCC Highways.  
It was also confirmed that construction of the footway is expected to take place during the summer school holidays to minimize disruption.
3. Existing sewerage network  
Residents raised concerns regarding the capabilities of the existing sewerage system given the problems already being experienced by those living close to the development. The developer acknowledged the concerns raised and confirmed that they would investigate and provide an update at the next meeting.

Cllr Russell confirmed that Persimmon Homes have booked the village hall for the next meeting on 30<sup>th</sup> April 2025 between 4pm and 7pm.
