Our call out charges are as follows:

Call Out Fee: £125.00 + VAT

Travel/Labour Rate: £110.00 per hour + VAT

We will try and adjust when on site, if we can't repair, details will be taken and a follow-on quote will be provided.

Please reply to this email confirming our charges are acceptable, and you are requesting our attendance.

Travel/Labour Rate includes travel time to and from your site, from our point of departure to our next destination, and our time on site, chargeable by the minute, not including any parts required.

Please note that whilst we will endeavour to make repairs and leave any door operational, there are times when this is not possible, and a return visit will be required. The above charges will still be applicable.
